Sir:

A response was submitted on June 22, 2006, but due to clerical error the payment was not attached, and the authorization to charge was incomplete. Therefore that response (in response to the Official Action mailed on February 13, 2006) is now *re-submitted*. Payment for two months' extension of time is attached. This paper is a petition for extension of time.

The presently-requested amendment is expected to put the application into condition for allowance.
